11th March 2020

Dear Parents and Carers

I thought it appropriate to write to you to update you on the current issues regarding the Coronavirus.

Within school, we continue to follow both Local Authority and Public Health England guidance with regard to the virus and the steps we are taking to mitigate any risks we may be facing. We receive regular updates from the Local Authority regarding the situation in Rochdale. Please rest assured that we are dealing with this in an effective manner to ensure the smooth running and day to day operation of the school.

We will continue to update you as new information or guidance emerges. It is essential we retain a business as usual attitude as we move into the assessment season and the summer term.

Yours faithfully

Mrs S Geddis

Headteacher
