Dear Parents & Carers

We have now reached a well-deserved half term break. I wanted to write to thank you for your support since our return to school in March.

I am sure you are aware that within our locality there has been an increase in positive cases of COVID -19 over recent weeks. Some schools in Middleton have had to isolate pupils and close bubbles. As ever, this is less than ideal, and we will continue to cooperate with the local authority and health protection teams. With this in mind, please can we continue to request that adults wear a face mask when on school premises - unless of course, you are exempt. This is to keep our pupils and staff safe.

We return to school on **Monday, 14th June 2020**. Our focus will continue to be on providing the very best provision for all our pupils in the final half term. As always, please support leaders in school by ensuring that your child arrives to school on time and is wearing the correct uniform. Mr McGrail, Mrs Curran and Mrs Bonnar will be leading the focus on ensuring Year 6 pupils become Year 7 ready, as there is much to do to prepare them for the transition to high school. All pupils will continue to be encouraged to be the very best they can be.

Please enjoy a restful half term break – continue to follow local and national guidelines, and most of all, please stay safe and well.

Yours sincerely

Ms S Geddis
Headteacher
