

Parent Keyworker Identification Form

PLEASE ONLY COMPLETE IF YOU BELIEVE THAT YOU MAY BE A KEYWORKER

By completing this form you are informing school *that you believe that you fall under* the government identification of a 'keyworker' for our country. When schools receive guidance from government, it will be this guidance that determines whose children will continue to attend, but gathering this information now will help school to be prepared.

Please answer the following questions in as much detail as possible. School will not share this information and will process this information in line with all GDPR regulations. Once this information has been processed and used for the purpose described in our previous letter, it will be destroyed by the school.
