hi

Hello, my name is Miss Thomas and I am really looking forward to teaching you this year (again - very exciting times!!)

## All About Me

Well, most of you already know me because I taught you in Year Two. It's so lovely to have you back and I'm really looking forward to September. As you know, I like to sing, play the piano, I love astronomy and like to have lots of fun in the classroom. I have a cat called Hugo and I live in Radcliffe. I like football and support Liverpool FC. I also like to play Fifa on my PS4 and sing in a choir. I'm very excited to see how you've grown since Year Two and looking forward to spending a fun year together. Go 5T!!!

## My favourite things:

Liverpool FC	Singing
Formula One	Playing the piano
Cats	Playing the guitar
Anything Purple	Being creative
Astronomy	Maths

## What will we be learning:

When we come back, we will be learning about the Earth and the Solar System, the space race and landing on the Moon. Remember when the space rocket came to school in September 2019? Well this year, we're making our OWN rockets!!!
