

# Welcome to Class 3B

Hello, my name is Mr. Butler and I am really looking forward to teaching you this year. Mrs Stevens will be supporting our class full time.

Our class will be called 3B and our classroom is upstairs in classroom 8.

Our Classroom - work in progress...

## All About Me

I have only been at St. Mary's for a short time; teaching year 4 before the school closure. However, I've been teaching for over 12 years all over Manchester mainly in KS2. I'm very much looking forward to teaching year 3 in September.

### My favourite things:

- My parents' bulldog - Ruby!
- Milky Bars - I've had one nearly every day since I was 4!
- The gym;
- Training for triathlons;
- Travelling - I spent 8 months in Australia and New Zealand.

### What will we be learning:

The Stone Age is our first topic of the year and then after half-term we will be learning about natural disasters. In English we will be doing some writing around the 'Stone Age Boy' which is an interesting picture book. In maths we will be investigating numbers and using the White Rose Scheme of learning. We will be spending lots of time practising times tables too!
