

Welcome to Class 6C

Hello, my name is Mrs Curran and I am really looking forward to teaching you this year.

Our class will be called 6C and our classroom is at the top of the nursery stairs, just off the roof terrace.

All About Me

I'm sure that most of you know me as I have already taught many of you before. Whilst I have been at St. Mary's I have worked in every KS1 year group as well as Reception but I really enjoy teaching the exciting topics in year 6, also the trips that we go on are brilliant! When I am away from school I am a mum to my two girls who are 10 and 17 years old. Much of my time at home is spent on long walks as I have two very energetic dogs called Lottie and Whisper, I love being outdoors. I am also quite creative with yarn and thread and I like to make many different crochet items, such as blankets, jumpers and jewellery.

My favourite things:

- Being creative
- Maths, especially algebra!
- Crocheting
- Having fun
- Playing sport, especially netball
- Camping

What will we be learning:

- All about ourselves & our bodies
- Understanding the wider world
- Evolution including fossils
- WW1
- Gothic stories including Frankenstein
- Tudors
