

Welcome to Class 3M

Hello, my name is Mrs Malshan and I am really looking forward to teaching you this year.

Our class will be called 3M and our classroom is Classroom 9.

All About Me

I have been teaching for fourteen years now and have taught in Year 1, Year 2 and in Reception for 12 years at 3 different schools. I have been a phonics lead and I am passionate about reading and books.

My favourite things:

One of my favourite things is my cat Jasper. He is huge, jet black and really glossy but he is really soft and friendly. I also love to read lots of different books and I enjoy cricket and my voluntary work with cat rescue and the local cricket club.

What will we be learning:

Our first topic in September is really exciting! We will be learning about 'Stone age to iron age'. In Maths we will be learning about Place Value and in Science we will be learning about animals including humans.
