**Delegation and Terms of Reference for the Governing Board
of
St Mary's RC Primary School, Langley**

1. DELEGATION OF POWERS

Most Governing Boards carry out much of their business through committees. The Governing Board decides the constitution, membership and terms of reference of all committees and must review the delegation of functions annually. The Governing Board will remain accountable for any decisions taken including those relating to functions delegated to a committee, panel or individual.

The Governing Board can still perform functions it has delegated: this enables the Governing Board to take decisions on matters that are discussed at meetings on functions that have been delegated. For instance, the Governing Board can decide to move ('vire') money from one budget heading to another in light of changing circumstances, even if the function of approving and monitoring the budget has been delegated to a committee.

If a committee of the Governing Board is given delegated powers the committee must be clerked and its work must be carried forward as if it were a Governing Board meeting. Such committees should have clear terms of reference and these should be approved by the Governing Board. The Clerk to the Committee is responsible for calling committee meetings; setting agendas and ensuring Governors with delegation are in attendance. The Headteacher must not clerk any committee of the Governing Board.

Some duties must not be delegated. Functions that cannot be delegated to an individual include those that relate to:

- the alteration, discontinuance or change of category of maintained schools;
- the approval of the first formal budget plan of the financial year;
- the exclusion of pupils (except in an emergency when the Chair has the power to exercise these functions);
- suspension of Governors

The Governing Board cannot delegate any functions relating to:

- the constitution of the Governing Board (unless otherwise provided by the Constitution Regulations);
- the appointment or removal of the Chair and Vice-Chair;
- the delegation of functions;
- the establishment of committees

There is a requirement to report back to the board on any delegated functions. This doesn't mean seeking final approval from the Governing Board but you need to explain the decisions taken at committee level. The board always acts as a "Board corporate" and remains accountable at the board level in law and to Ofsted for the performance of all its duties and functions.

2. CHAIR'S ACTION

The Chair, or Vice Chair if the Chair is unavailable, can make decisions on the Governing Board's behalf using the power of 'Chair's action'. Regulation 8 of the Roles, Procedures and Allowances Regulations 2013. Decisions taken under the power of 'Chair's action' must be reported to the Governing Board at the first available opportunity. 'Chair's action' should only be used where any delay would be likely to be seriously detrimental to the interests of the school, any pupil at the school, or his/her parent, or a person who works at the school.

3. USE OF EMAIL

The Governing Board could choose use email as a method of discussion within the Governing Board, however this can only happen with the Governing Board have agreed terms of how the board will use email and this should be agreed by the Governing Board an cannot be delegated (Appendix 9).

4. REMOTE ATTENDANCE

Governors are able to attend meetings remotely in accordance with their Virtual Meeting Policy. In Maintained Schools the board has the power to approve alternative arrangements for governors to participate or vote at meetings by telephone or video conference. This is set out in regulation 14 of The School Governance (Roles, Procedures and Allowances) (England) Regulation 2013. This also applies to Committee meetings (Appendix 10).

5. A MODEL COMMITTEE STRUCTURE

The following committees meet regularly to monitor the work of the school in specific areas and to review policy:

6. MODEL TERMS OF REFERENCE

This document sets out the terms of reference for committees at St Mary's RC Primary School, Langley.

Part 5 of the School Governance (Roles, Procedures and Allowances) (England) Regulations 2013, which relates to Governing Board committees, does not apply to staffing matters in relation to individual members of staff. It is open to Governing Boards to determine procedural arrangements beyond those they either must or should follow under the staffing regulations and guidance. This relates to the following committees:

- Headteacher Appraisal Committee
- Personnel and Pay Implementation Committee
- Personnel Appeals Committee

6.1 GENERAL TERMS FOR ALL COMMITTEES

- To act on matters delegated by the Governing Board
- To liaise and consult with other committees where necessary
- To contribute to the School/Academy Improvement Plan

6.2 MEMBERSHIP

The Governing Board must determine the membership, proceedings and terms of reference of any committee, and must review these annually.

The membership of a committee may include associate members, provided that a majority of members of the committee are Governors.

Each committee must have a Chair and a Clerk – the Governing Board will decide whether to appoint the Chair or whether the committee should do this. The Headteacher/Principal cannot be the clerk to a committee, but a Governor can. Even when not a member, the Headteacher is entitled to attend all committee meetings.

6.3 QUORUM

Committees are free to determine their own quorum, but as a minimum this must be not less than three Governor members of the committee. The exception to this is the quorum for committees dealing with staffing matters as the quorum can be 2 but only in exceptional circumstances.

6.4 MEETINGS

Governing Boards are free to determine how often their committees meet – this may be left to the discretion of the individual committees and may depend on the circumstances of the school at any given time. Committee meetings will not be open to the public but minutes shall be made available. Information relating to a named person or any other matter that the committee considers confidential does not have to be made available for inspection.

In the absence of the Chair, the committee shall choose an acting Chair for that meeting from among their number.

In the absence of the Clerk the committee shall choose a Clerk for that meeting from among their number (someone who is not the Headteacher/Principal).

The minutes of each meeting will be circulated with the agenda for the next ordinary meeting of the Governing Board and will be presented at that meeting by the Chair (or in his/her absence another member of the committee).

Any decisions taken must be determined by a majority of votes of committee members present and voting – the majority of those present must be Governors.

7. LINK GOVERNORS

Governors have a responsibility to monitor and evaluate the progress of their school and contribute to the school self-evaluation process. This can be done through a variety of methods including reports from the Headteacher and senior staff, analysis of statistical data and, perhaps, through first hand observation as Link Governors.

Where schools have appointed Link Governors they need to clearly define their role and remit. An integral part of many link Governor roles is visiting the school (Appendix 11). These visits must be undertaken in accordance with an established Governor classroom visit guidelines (an NGA guidance document is attached at Appendix 12).

- To vote where it has been agreed that Governors will take some time to think about their vote. They can cast their vote via email outside of the meeting in circumstances where this may be applicable
- For urgent matters the Chair has power to act alone in cases of urgency and may use email to notify Governors of the use of Chairs Action if they have been unable to call an emergency meeting

When Governors are using email this will be in accordance with the Code of Conduct recognising GDPR and Data Protection requirements. Governors will always be courteous and professional and use secure email or Governorhub (where appropriate).

This Governing Board will not use emails or Governorhub (where appropriate):

- To discussion individual parents, pupils or staff
- To hold meetings as Governors have to be present to pass resolutions. NB: this does not affect Governors who are attending the meeting remotely

OFSTED

Ofsted can request to see Governing Board emails. Inspectors can ask to see the email chain for any Governing Board business as part of inspection evidence. They might use this to evaluate the impact Governance, both currently and over time.

All Governors:

- Should use their school email accounts for discussion and voting (as detailed above)
- Should keep all emails related to board business in accordance with their retention schedule

REMOTE ATTENDANCE TERMS OF REFERENCE

This Governing Board will allow remote attendance on the following basis:

- The meeting will be chaired by a Governor who is present in person.
- Where a Governor wishes to attend a meeting of the Governing Board by either telephone or video link the Chair and Clerk must be notified at least 48 hours in advance of the meeting to ensure that appropriate arrangements can be made.
- The Governor will be asked their reasons for not attending the meeting in person and their attendance virtually will be subject to the approval of the Governing Board at the beginning of the meeting, though this approval will not be withheld without good reason. Where approval is withheld the reason for this will be minuted and the Governor informed immediately.
- The physical location of the Governing Board meeting must have the facilities/appropriate equipment to enable remote attendance otherwise permission will not be provided
- Governors attending the meeting either by telephone or video conference will be entitled to vote on any issue providing they have been 'present' for the whole agenda item which the vote relates to. Where a secret ballot is required this will be facilitated where possible (e.g. by taking a telephone call off speaker phone and the Governor sharing their vote verbally with the clerk). Where this is not possible the Governor will be required either to vote publicly or abstain.
- If, after all reasonable efforts, it does not prove possible for the person to participate by telephone or video conference, the meeting may still proceed with its business provided it is otherwise quorate
- If the technological link is lost the Governor will cease to contribute to the quorum, but this will not prevent the meeting continuing in their absence unless it has become inquorate
- A Governor attending remotely still needs to meet the expectations around confidentiality wherever they are taking part in the meeting
- All Governors present at a meeting, including those participating remotely, contribute to the quorum

LINK GOVERNORS

A Link Governor is a member of the Governing Board appointed to oversee a specific aspect of the work of the school. Link Governors through their role should ensure the school's compliance with the following statutory duties:

- Equality Act 2010
- Prevent Strategy
- Keeping Children Safe in Education
- Education Inspection Framework
- Public Sector Equality Duty
- Human Rights Act 1998
- Section 78 of the Education Act 2002 (SMSC)
- Relationships and Health Education – Primary (from 2020)
- Relationships and Sex Education and Health – Secondary (from 2020)

Link Governors must also be familiar with all LA guidance and policy relating to the link area and ensure their training is up to date and relevant and disseminated to the Governing Board.

You must have a Link Governor for safeguarding. The DfE also says you should have:

- A Link Governor or committee with oversight of special educational needs (SEN) and
- A member of the board who takes a strategic interest in careers education and guidance and encourages employer engagement

Link Governors should ensure that the curriculum complies with all statutory guidance including the new Education Inspection Framework May 2019, ensuring the school is compliant with the relevant legal duties as set out in the Equality Act 2010, including where relevant, the Public Sector Equality Duty and the Human Rights Act 1998. To ensure the school complies with the new Relationships Education and Health Education in primary and the Relationships and Sex Education and Health Education in Secondary, made under sections 34 and 35 of the Children and Social Work Act 2017: Link Governors should ensure that, at a strategic level, all pupils make progress in achieving the expected educational outcomes; the subjects are well led, effectively managed and well planned; the quality of provision is subject to regular and effective self-evaluation; teaching is delivered in ways that are accessible to all pupils with SEND; clear information is provided for parents on the subject content and the right to request that their child is withdrawn; and the subjects are resourced, staffed and timetabled in a way that ensures that the school can fulfil its legal obligations. Whilst there is no requirement for specific Link Governor, schools may consider creating this as a Link Governor role. If not, there is a requirement to ensure that all Link Governors are aware of the above in carrying out their Link Governor duties.

Otherwise, Governing Boards can choose how they structure their governance arrangements, including deciding what, if any, roles are delegated to individuals. These may include:

- Subject Link Governors
- Curriculum Link Governors
- Literacy/Numeracy Link Governors
- Key Stage Link Governors

Governing Boards should collectively assign Link Governor roles, with the agreement of the individual taking the role. They should be chosen in line with the school's improvement priorities, and in partnership with school staff.

Link Governor roles should then be reviewed annually.

Governors have a responsibility to monitor and evaluate the progress of their school and contribute to the school self-evaluation process. This can be done through a variety of methods including reports from the Headteacher and senior staff, analysis of statistical data and, perhaps most importantly, through first hand attendance at school as Link Governors. In general, a link governor role involves the following tasks:

- Making pre-arranged visits to the school, with a clear focus
- Keeping the Governing Board informed about the area for which they're responsible, and acting as a link between governors and staff
- Supporting the member of staff who is responsible for the particular area/subject
- Developing knowledge in the specialist area and taking part in relevant training
- Ensuring the school has relevant policies in place
- Monitoring the implementation of the school's strategy in the specialist area

CLASSROOM VISITS GUIDELINES

Preamble

The Governing Board is the 'accountable board' in a school – accountable to parents, pupils, the local authority and Central Government through Ofsted. It is responsible for everything from Health and Safety and Child Protection to the school budget, teaching and learning and pupil progress. Because Governing boards have a statutory responsibility to monitor and evaluate the effectiveness of the school and its curriculum, Governors need to know what progress is being made towards targets set out in the School Development Plan (SDP) Visiting the classroom can help to support this

Ofsted inspection assumes that Governors know the strengths and weaknesses of the school This depends on Governors assessing performance data presented to them by the Senior Leadership Team (SLT), and through the Curriculum/Standards Committee in the context of an understanding of what happens in the classroom

It is also important to Ofsted that the Governing Board makes an impact on school improvement and visiting school to see it in operation, and to be aware of standards and progress are important aspects of this crucial role

Governors are not qualified to assess standards but they need to visit lessons in order to:

- Appreciate and understand the work of the staff (teachers and support staff) and how the pupils are learning;
- Be aware of the response of pupils to their work and check that the pupils are aware of what they are learning;
- Be aware of resource issues;
- Be able to ask appropriate questions and hold sensible discussions with the professionals;
- Understand as fully as possible the meaning of the results of monitoring reported to them

NB Governors are not inspectors and are not present in a lesson to make judgements about the professional expertise of the teachers. That remains a task for the head and/or other education professionals It would be inappropriate, therefore, for Governors to:

- Make judgements about the quality of teaching;
- Report on the progress of individual children;
- Pursue personal agendas;
- Monopolize teachers' time;
- Arrive with inflexible pre-conceived ideas

CONFIDENTIALITY

Confidentiality should be adhered to regarding classroom visits o\bservations and comments should be shared with the teacher concerned, and with the Headteacher, but not with other staff or with parents and the approach of a Governor should be to ask for explanations of anything not understood, not to make assumptions. Reports to the Governing Board should not identify individuals in a critical manner; this is not the role of a Governor.

MINIMUM COMMITMENT

Individual Governors have differing amounts of time to commit to an exercise such as classroom visits. It is important, however, that all Governors should try to make visits at some time, beyond

that initial general visit to the school when one is newly appointed to the Governing Board. A Governor should aim to make a class visit at least once a year.
