

# Welcome to 5H!

## Our Classroom!

Welcome to Year 5! I am so excited to meet all of you and begin our year together. This year will be a journey of growth and reflection as we prepare for Year Six at St Mary's.

## All About Me!

I have just graduated university! Although I spent a lot of last year at St Mary's in Year 6 you will be my first class. I live by the sea up the coast from Blackpool with my parents, two brothers and new puppy. I love watching football, especially Manchester City. My favourite book at the moment is *The Boy at the Back of the Class* by Onjali Rauf. I can't wait to have fun this year with lots of active lessons.

## My Favourite Things:

Spending time with my family  
Going for long walks with my puppy  
Exploring new places  
Manchester City  
Drawing or Painting  
Looking at the stars  
English  
Drama  
Experimenting in science.

Our first topic will be all about Space, we will be learning about Earth, and the Solar System, the space race and the moon landing.
