

# Welcome to Class 2B

Hello, my name is Mrs Brown and I am really looking forward to teaching you this year. Our class will be called 2B and our classroom is downstairs at the end of the corridor on the left opposite 2D. Mrs Taylor will be our Teaching Assistant to help support you with your learning.

This is what our new classroom will look like...

## All About Me

I have been a teacher at St Mary's since 2015. I have always taught in Year 3 and moved into Year 2 last year! As well as being a class teacher I am the PSHE Coordinator at school. One of my biggest passions is reading so you'll usually find me in the school library with a good book!

## My favourite things:

I love to read and my favourite genre is fantasy. You will usually find me reading books like Harry Potter or Percy Jackson.

I have two children called Harry and Charlotte who keep me very busy at home.

Ask any of my previous students and they'll tell you that my absolute favourite thing is chocolate!

## What will we be learning:

We will be learning lots of exciting new things in Year 2 and our first topic will be '*The Great Fire of London*'.

We will be learning lots of new vocabulary in all of our subjects which will help us to become better writers.

We will also be working hard on our maths skills and times tables.
