Dear Parents and Carers

On behalf of the staff of St Mary's, I am thrilled to welcome you to the 2021-22 school year! We are all very much looking forward to a productive partnership with you to ensure our children can achieve their highest potential this year.

We recognise that in order to be successful in school, our children need support from both home and school. We know a strong partnership with you makes a great difference to your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that they:

- 1) Attend school daily and arrive on time, ready for the day's learning experience;
- 2) Complete homework assignments when set;
- 3) Read daily at home to develop a love of reading and to improve literacy skills;
- 4) Share school experiences with you so that you are aware of their school life;
- 5) Inform you if they need additional support in any area or subject.

Please keep up-to-date with your child's class by accessing Class Dojo. Please let school know if we can help you with this.

Thank you so much for your support since our return last week. We will continue to focus this week on embedding our school rules and routines.

Yours sincerely

Ms. S. Geddis
