

Welcome to 5T!

Miss Thomas

Mrs Mitchell

Mr Mahmud

hi

Hello! Welcome to Year Five! I hope you're excited for our journey together. I'm very pleased to be your new teacher and I'm looking forward to a year in which you will grow lots, preparing yourself for Year Six

Some pictures of our classroom.

Our reading area and special guest astronaut!

All About Me

Well, you all know me as the "singing lady" and "piano player"; now you're going to get to know me as your fun-loving class teacher! Here's some things you didn't know about me: I make model ships, which means I have to have lots of patience and creativity. I also have a telescope and love to watch the stars and take photographs of the Moon and planets. I have a cat called Hugo and I live in Radcliffe. My favourite children's book is *The Borrowers* by Mary Norton and I love to read and write poetry. I speak German, French and a little bit of Polish and have lived and taught in Germany. I like football and support Liverpool FC (sorry!). I also like to play Fifa on my PS4 and sing in a choir. I'm really looking forward to sharing some legendary laughter, working very hard and challenging ourselves to be the best we can be. Go 5T! #Thebest

My favourite things:

Liverpool FC	Singing
Formula One	Playing the piano
Cats	Playing the guitar
Anything Purple	Being creative
Astronomy	Maths

What will we be learning:

When we come back, we will be learning about the Earth and the Solar System, the space race and landing on the Moon. Remember when the space rocket came to school in September 2019? Well this year, we're making our OWN rockets!!!
