Dear Parents/Carers,

As you know, our school uses the programme, Life to the Full, produced by the Catholic educational organisation, Ten Ten Resources. This delivers the necessary content of the statutory subject, Relationships, Sex and Health Education.

I'd like to remind you again of why we use this resource and what your child will actually be learning. I would therefore like to invite you to view the online parent portal, where you can find all this information. This can be found here –

<https://www.tentenresources.co.uk/parent-portal/>

We will remind you of the username and password via text message.

Please do not hesitate to contact either myself or Mrs Bollado if you have any questions.

I would also like to invite you to a zoom meeting during which I will go through the programme. This will be at 1.30pm on Thursday 5 October, 2023. I will send out the link by text next week.

Thank you for your ongoing support.

Yours sincerely,

Mr. McGrail
