Dear Parents/Carers,

We would like to take this opportunity to thank you for all of your generous donations over the last few weeks towards our Harvest collection for Middleton Central Foodbank.

In all, we collected over 350 items of food which equated to approximately 303 meals for families in the Middleton Community!

This is an incredible donation in which the Foodbank have contacted us directly to thank us for. Please see below the certificate which we are very proud to have received and could not have done this without your help.

Yours sincerely,

Miss Lyndon and The Mini Vinnies
