Dear Parents/Carers,

There is great sadness to our school community today, following on from the desecration of our Calvary statue last night between the hours of midnight and 1.30am.

This is deeply upsetting for the community of Langley as the crucifix and statues have stood proudly outside St Mary's School for decades.

School have reported this crime to Greater Manchester Police and we appeal to anyone with any information to please come forward.

I would like to personally thank all the parents and parishioners who have been in contact today to offer us their support and assistance. It is a very sad day for us all, but this will only bring our community closer as we stand together.

Yours sincerely'

Mrs S Bollado
