Dear Parent/Carer,

The Paris 2024 Olympic and Paralympic Games are nearly here! To celebrate the games, schools across the country are invited to get active and embark on a virtual journey with Path to Paris, a free programme for children aged 5 to 11 and their families.

Log activity and follow your schools progress on the Path to Paris website - <https://www.getset.co.uk/pathtoparis>

You can also find lots of resources to launch and support the challenge, including quick activities to get children moving - <https://www.getset.co.uk/resources-home>

Win prizes!

There are regular prize draws throughout the programme. Log activity or share how you're getting active to be in with a chance to win prizes for your school!

Thank you,

Mrs Bollado
