

ST. MARY'S
ROMAN CATHOLIC PRIMARY SCHOOL

PROSPECTUS

Welcome from the Chair of Governors

Dear Parents/Carers

Welcome to St. Mary's Roman Catholic Primary School.

St. Mary's is a Roman Catholic Primary school taking children from Nursery to Year 6 where the teachings of Jesus Christ are at the very centre of the daily lives of our children.

The aims of the school are contained in our Mission Statement:

'Growing in God's love, joyfully we pray, play and respect all, changing our world forever.'

I have been a member of the Governing Body for eight years and became Chair four years ago.

St. Mary's holds a special place for me, having attended the school as a child, beginning my teaching career here and now my grandchildren come here.

My background is in education as a Headteacher and Executive Headteacher before my retirement eight years ago. Our Governing Body come from varied business and educational backgrounds with a wide range of skills, knowledge and experience, which is a great asset when discussing key issues such as finance, buildings and school improvement. The role of the Governing Body is to support the school to continue to provide an exciting, engaging and friendly environment, where our children thrive and actively want to learn and become independent.

I do hope you enjoy reading our prospectus and look forward to meeting you.

Chair of Governors
Margaret Hyde

School Attendance

Regular attendance and punctuality are very important and we are required to keep detailed records of all aspects of attendance. We ask that you support us by ensuring that your child comes to school on time, and that you make every effort to avoid taking your child out of school during term time.

Children who are late should come to the main school office to report to Mrs Doherty or Mrs Lyons where they will need to be signed in by the adult bringing them to school.

If your child is ill, please telephone the office or leave an answerphone message as soon as possible. Once the registers have closed (8:45am) office staff will look at the absences and if we do not have a reason we will contact the parent.

Children who need to leave during the school day for an appointment must be collected from the main entrance by a responsible adult. Office staff will need to see proof of appointment to ensure this remains an authorised absence.

Whenever a child leaves the school during the school day the adult who collects them will need to sign the child out on the electronic signing out system.

The Education Welfare Officer checks our attendance records regularly. If there is a cause for concern, she may carry out a home visit or invite you into school to discuss the matter. Rochdale Education Authority will vigorously enforce the laws which require parents to ensure that their children attend school regularly.

Term Time Leave

The law states that parents do not have the right to take their child out of school for holidays during term time. Only in exceptional circumstances can school allow parents to take their child out of class for up to ten school days in a school year. Parents should apply for this permission through the Head Teacher. Permission must be requested in advance. The school policy is that absence during term time will be classed as Unauthorised. Unauthorised absence of a school aged child is a criminal offence for any adult with parental responsibility. Parents can risk going before the Magistrates Court and the result could lead to a large fine and one of a range of Orders available to the court.

Any child with 98% attendance or above may be granted three days of their holiday authorised by the Headteacher. This attendance percentage will depend upon what time of the year it is and previous academic year attendance will be taken into account before days are authorised.

Collecting Children

If anyone apart from a parent is collecting a child, school must be informed by email or phone call. Year 5 and year 6 children are allowed to walk home alone if we receive written permission from parents. Any child who needs to leave school during normal school hours (e.g. dental appointments, etc.) will only be given permission to do so if we have a written request from a parent, or if the parent or other responsible adult collects him/her and shows proof of the appointment. Under no circumstances whatever will a child be allowed out of school during normal school hours unless a responsible adult calls for him/her.

Financial Assistance

For families whose income is below a certain level, some financial assistance may be available. Children of families in receipt of Income Support and Family Credit are entitled to free school meals. To apply for benefit related free school meals please follow the below link or contact the school office:

Admissions Policy

St. Mary's is a Roman Catholic Primary School under the trusteeship of the Diocese of Salford. It is maintained by Rochdale Authority. As a Voluntary Aided School, the Governing Body is the Admissions Authority and is responsible for taking decisions on applications for admissions.

For the school year commencing September 2024, the Governing Body has determined that the number of children to be admitted to St Mary's R.C Primary School will be 60.

Admissions to the school will be determined by the Governing Body. Parents must apply for a Reception class place via the Rochdale Council website. If parents wish to transfer a child from another school, they must contact the school office to complete an in-year transfer form. Where more applications are received than places available for the September intake, children will be placed in order of the below admissions criteria and offered places accordingly.

If parents wish to have their application considered against the schools religious criteria then they must **ALSO** provide proof of baptism.

If there are fewer than 60 applications, all applicants will be offered places. Pupils with a statement of special educational needs naming the school in the statement will be allocated a place before any other places are allocated. If there are more applications than the number of places available, the following oversubscription criteria will be applied:

1. Baptised Roman Catholic Looked after Children or previously Looked After Children
2. Baptised Roman Catholic children who have a sibling in the school at the time of admission
3. Baptised Roman Catholic children resident in the parish of Our Lady of the Assumption
4. Baptised Roman Catholic children resident in other parishes
5. Other Looked After Children and previously Looked After Children
6. Other children who have a sibling in the school at the time of admission
7. Other children.

Parents should note that the acceptance of one child into the nursery or school, in no way guarantees a place for other children or that a child may automatically transfer from nursery to primary phase. For further rules to applicants, please click the link below to our Admissions Policy:

Discipline

The Education Act 2011 outlines the responsibilities of the governing body and the Head for pupil discipline. It provides guidance on the use of reasonable force and outlines the responsibilities in relation to the Behaviour policy.

The Education Act 2011 requires the Head, governing body and the Local Authority to exercise their functions with the view to promoting the safety and welfare of the pupils. It details the power to exclude a pupil.

According to the Education Act 2011 Local Authorities must make arrangements for the provision of education otherwise than at school for those children who need it because of illness, exclusion or for other reasons.

Homework

Children are to complete electronically based homework via:

- Maths - Whizz
- Times-Tables - Rock Stars Learning with Parents
- Learning with parents

We place a great emphasis on the importance of reading. Children take home a book and a reading record and a dialogue is established between home and school. Children are expected to read at least five times a week to be a 'green reader'.

Home, School and Parish

Each child grows in the ways of Christ within the context of the Christian family formed by home, the school and the local church. Religious education is a fundamental part of the total curriculum. This partnership of parents, teachers and parishioners is emphasised by the Salford Diocesan programme for the Sacraments of Initiation that will prepare our children for Reconciliation and Eucharist within the wider family of the whole Church. It is important that common aims be established and developed in a climate of mutual trust and openness. Home, school and parish should work together for the building of God's Kingdom, based on the Gospel values of love, peace and justice.

We believe that the partnership between home and school is very important. Parents are encouraged to keep in touch with what their child is doing at school.

We send home regular letters to keep parents informed of what is happening in school. We also have a parent app called 'Dojo'. Parents have a log in and an account and can keep in contact with the class teacher.

Curriculum

In this prospectus there is only space for brief descriptions of what is intended to be taught within the broad term 'curriculum.' Curriculum policies and other relevant documentation on curriculum areas are available on request.

In planning and implementing the Curriculum, we endeavor to:

- Provide an interesting and stimulating environment with a caring, secure atmosphere, in order to foster self-discipline, good manners mutual respect and tolerance, and where children may become happy and well-balanced individuals.
- Provide the basic skills which children need for work and life by giving each of them a thorough grounding in English and Mathematics appropriate to their age, aptitude and ability.
- Make every effort to offer a broad balanced curriculum to all pupils regardless of ability, gender, religion or ethnic origin. We follow the national curriculum in all subjects. However, we continually look for ways to adapt and modify the curriculum to suit the needs of our children.

Religious Education

St Mary's is a Roman Catholic primary school. At the heart of all we teach must be a love of God, of His people and of His word. To foster this, we teach pupils about the Roman Catholic Faith and the influence that the practice of the religion should have in every aspect of their lives.

Religious education is regarded as a shared responsibility between school, parents and parish. It is expected that children admitted to the school will take a full and active part in the religious life of the school. Parents wishing to withdraw their children from the religious instruction and worship must inform school of this.

RSHE

For RSHE, our school uses the programme, Life to the Full, produced by the Catholic Educational Organisation, Ten- Ten Resources. This programme is fully endorsed by the Catholic Education Society (CES) and Salford Diocese.

The link here will take you to our school website where you can find the parent portal - <http://www.stmrc.co.uk/rshe/>
