Dear Parents/Carers

As it is our schools mission to respond to the call of Pope Francis to care for our common home, our 'Eco Warriors' have decided to lead a whole school litter pick in our local area. During this week, members from each class will be taking part in a litter picking campaign at different times during the day. The areas we aim to cover are Wood Street, Bowness Road and Truffet Park.

Your children should wear their school uniform as normal and we will provide protective equipment for them to use.

We look forward to sharing our experiences with you on our website!

Yours Sincerely

Mrs Campbell

Eco Lead
