Wednesday 11<sup>th</sup> November 2020

Dear Parents/Carers,

We have decided, as a school, to revert back to Class Dojo as a platform to provide remote learning. We are finding that this is more straightforward and easier for the children to use than Microsoft Teams. If your child's bubble is isolating, please go to [classdojo.com](http://classdojo.com) and your child can log in using their username/password to access work which will be set for them. If it only your child that is isolating, not the entire bubble, then your child's teacher will be in touch with you regarding how the remote learning will work.

Thank you.

M. McGrail  
Deputy Headteacher
