An important update regarding school reopening on 5th January 2021

Dear Parents/Carers

I am writing to notify you of the partial closure of our school from tomorrow. Some classes will not return tomorrow. This is due to the lack of available staff and the resultant health and safety issues that this creates.

I have been informed by some staff, following union advice, that they are unavailable for face-to-face teaching from tomorrow. These staff will be providing online learning to children in the following classes:

**2D
4R
5C**

If your child is in one of the above classes then your child will access remote learning at home via Class Dojo. Your child's class teacher will contact you with further information.

School will be open as usual for all other classes.

School will also be open for any critical worker/vulnerable children in 2D, 4R and 5C.

We ask that you email office@stmarysrcmidd.rochdale.sch.uk if you wish to access this provision. Please note that we require this information as soon as possible so as to allocate staff appropriately.

Please accept my sincere apologies for the short notice but this has been a rapidly evolving situation and may well change again.

I will, as always, communicate updates as soon as I can.

Yours sincerely

Ms. S. Geddis

Headteacher
