

Our School Library

ST.MARY'S RC
PRIMARY SCHOOL
WE PRAY, PLAY & RESPECT ALL.

At the heart of St. Mary's is our school library. The recently elected School Librarians have been working hard to organise the shelves, thinking about authors, genres and topics.

The library is open throughout the day and at lunchtimes, children are encouraged to visit and change their library books.

At St Mary's we love books – they are the windows of our imagination. We have a wide range of texts and genres for the children to explore and enjoy!
