Important Information

Please can you provide the following items to keep in Nursery

- A pair of wellies to stay at school for outdoor play
- A spare set of underwear and socks
- A spare pair of polo shirt, joggers or skirt.

Your child needs to bring a waterproof, washable coat to Nursery every day. We will go outdoors in all weathers!

Please label all items of clothing with your child's name.

Please note:

If your child is not toilet trained yet, parents must provide nappies/pull ups and wipes.

All children are provided with a fruit snack, water and milk daily so parents do not need to send in any snacks from home.

Allergies

As we are a nut free school we request parents do not send anything in for birthdays. Nursery will provide every child with a card and a balloon on or near their birthday and the children will sing happy birthday. A photograph will be taken and put in your child's Learning Journal book.
