

Dear Parent/Guardian,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 2 February 2024**. On the same day we will be relaunching Times Table Rockstars and Numbots as part of NSPCC Number Day. On this day children from Year 3 to Year 6 will be invited to attend school dressed as their rockstar alter-ego. The day will involve times tables activities.

Times tables

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

What is Times Table Rockstars?

In either paper form or online, Times Tables Rock Stars is a carefully sequenced programme of daily times tables practice. Each week concentrates on a different times table, with a consolidation week for rehearsing the tables that have recently been practiced every third week or so.

Access to Times Table Rockstars

Your child will have a username and password to access the TTRockstars website or app. To find the school name type in Middleton and it should appear towards the bottom of the drop down menu.

Times Table Expectations

In the table below are the National Curriculum times tables expectations for each year group.

Year 1	Count in multiples of 2, 5 and 10. Recall and use all doubles to 10 and corresponding halves.
Year 2	Recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers.
