WE PRAY, PLAY & RESPECT ALL

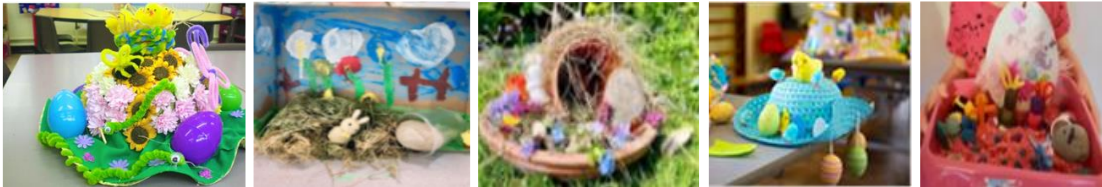

Whole School Easter Competition

Now that it is nearly Easter, we are having a special competition!

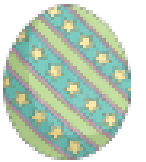

If you would like to participate then you can make an Easter garden or/and an Easter bonnet. Please see examples below:

You can use whatever materials you like. You may like to use paint, pens, paper shapes, pom-poms or other materials.

Please bring in your egg creations and bonnets (clearly labelled with your name and class)

before Monday 25th March 2024.

We will showcase this in the hall to the whole school on the Monday afternoon and we look forward to seeing your wonderful work!
