RE: Life to the Full Plus RSHE Programme

Dear Parents/Carers,

As you know, our school uses the programme, Life to the Full Plus, produced by the Catholic educational organisation, Ten Ten Resources. This delivers the necessary content of the statutory subject, Relationships, Sex and Health Education and is delivered throughout the year.

I'd like to remind you of why we use this resource and what your child will actually be learning. I would therefore like to invite you to view the online parent platform. This can be found here - www.tentenresources.co.uk/parent-portal

We will remind you of the username and password via text message and on Class Dojo this week and staff will inform you of when sessions are taking place to give you time to look at the resources used with your child if you wish.

Please do not hesitate to contact either myself, the class teacher or Mrs Bollado if you have any questions.

Thank you for your ongoing support.

Yours sincerely,

Miss Thomas
