Church Cleaning, Our Lady's – at this time we are in need of more helpers to help with the cleaning at Church and would appreciate people willing to take part in this very important work. Our Church is the House of God and to have the opportunity to help keep it neat and tidy should be a privilege. This work would only involve 6 or 7 times in the year for a couple of hours on a Monday evening. Even if you have to go to work, you would still be able to help. If you are willing to take part with our other team, see Father.

Church Cleaning - On the subject of Church Cleaning we would like to thank those who give their time at the moment to look after both Churches, people who visit the Church always comment on how clean and well-kept they are.

Pope Leo XIV speaks

We are called to be human

Life is made up of encounters, and in these encounters, we emerge for what we are. We find ourselves in front of others, faced with fragility and weakness, and we can decide what to do: to take care of them or pretend nothing is wrong... And yes, the practice of worship does not automatically lead to being compassionate. Indeed, before being a religious matter, compassion is a question of humanity! Before being believers, we are called to be human. Let us pray, then, that we can grow in humanity, so that our relationships may be truer and richer in compassion.
