## Whole School Easter Competition, 2026

Now that it is nearly Easter, we are having a special competition!

If you would like to participate then you can decorate:

**EYFS/KSI - Easter bonnet creation.**

**KS2 - Easter egg creation.**

Please see examples below:

You can use whatever materials you like. You may like to use paint, pens, paper shapes, pom-poms or other materials. Please make sure your child's name and class is clearly labelled on their creation.

Please bring in your egg creations and bonnets  
before **Thursday 26th March 2026** with a 50p donation (if possible).

We will showcase this in the hall to the whole school on the Thursday afternoon  
and we look forward to seeing your egg-cellent work! The School Council

Representatives will then choose a winner per class. Have fun!
