

Welcome to Class 6H

Hello, my name is Mrs Heaton and I am really looking forward to teaching you this year. Mrs Thas will be in the class with us as our wonderful teaching assistant. Our class will be called 6H and our classroom is just off the roof terrace and directly behind 6T.

All About Me

This is my fourth year here at St. Mary's and I'm very excited to get to know you all. In the past I have worked with children in both Key Stage 1 and Key Stage 2 but my favourite year to teach is Year 6! At home, I love to spend time with my 4-year-old daughter who is always so happy and loves to play outside. During an evening I really love to read in bed. My favourite colour is purple and my favourite food to eat is American (especially burgers!).

My favourite things:

- Reading books
- Writing stories
- Baking cakes
- Watching movies
 - Chocolate
- Spending time with my daughter

What will we be learning:

- Living things and their habitats
- Addition, subtraction, multiplication and division
- Evolution including fossils
- WW1
- Gothic stories including Alma
- Mayans
