

Welcome to Class RGH

Welcome to RGH!

Miss Hardwick will be your teacher and Mrs Hill will be your teaching assistant every day and there will also be Mrs Braisdell and Mrs Vernon to support you in the EYFS unit.

You will come in to school through the main EYFS doors and you will go home from our classroom door that is located on the EYFS outdoor provision.

All About Me – Miss Hardwick

I am really looking forward to teaching you this year and supporting you on your learning journey throughout Reception! I will be teaching you on a Thursday and Friday. I have two children called Reuben and Elijah who

I am sure you will hear lots about this year. I love spending time with my family and friends. I enjoy swimming and shopping. I also like going on adventures! My favourite subjects are phonics and maths and I love reading stories!

Information

Reading Books should be brought into school on a **Thursday** so that they can be changed and handed out on a Friday. Please make sure you read at home and get your reading record signed 5 times a week so that you can be a **GREEN READER** and we can have a party!

What will we be learning:

During our first half term in Reception, we will be helping the children settle into school life by getting to know our daily routines and the structure of the school day. We will be encouraging independence through everyday tasks and building confidence in the classroom. Our first topic this half term is called 'Marvellous Me.' Through fun, hands-on, and play-based activities, they will celebrate what makes them unique by exploring their bodies, five senses, and different emotions. They will also look closely at their own lives, sharing stories about their homes, celebrating diverse family structures, and learning how to build positive new friendships. From painting self-portraits using mirrors to strengthening their writing muscles with playdough, this topic provides a creative and nurturing introduction to their school journey.
