SEND and Inclusion Parent Partnership Group

Dear Parents and Carers,

At St Mary's we are committed to creating an inclusive school community where every child feels valued, understood, supported and has the opportunity to thrive. We recognise that yourselves are essential partners in achieving this. Your experiences, ideas and perspectives are invaluable in helping us to develop and strengthen our inclusive practice.

We would like to invite you to express an interest in joining our new SEND and Inclusion Parent Partnership Group, working collaboratively with our school SENCO. We hope that the group will provide a welcoming and supportive space to:

- Share experiences, ideas and constructive feedback.
- Strengthen communication and partnerships between home and school.
- Celebrate what is working well and identify areas for development.
- Explore ways to remove barriers to learning and participation.
- Promote inclusion, emotional wellbeing, acceptance and belonging.
- Help shape future SEND and inclusion provision and school improvement priorities.

The group will focus on whole-school SEND and inclusion rather than individual children's needs, which will continue to be supported through our usual channels. No specialist knowledge is required – your voice as a parent or carer is what matters.

How to get involved:

To ensure everyone has the opportunity to contribute meaningfully, we will initially be offering a limited number of places.

If you would like to be involved, please register your interest by **Friday 4th December** by pressing the link below and completing the Microsoft Forms.

https://forms.cloud.microsoft/e/zUfHTbvAKP

All parents and carers who express an interest will be notified by Monday 7th December to confirm whether they have been offered a place and, where appropriate, provide details of our first meeting.

Our first meeting will be on **Monday 14th December at 2.15pm.**

We look forward to listening, learning and working together to make a positive difference for our children and families.

Kind regards,
Mrs Feighan
SENCO
